### Free Storage & Storage Fees

- Free storage is available for 7 days after the box/pallet report is sent to the customer. Storage fees begin on day 8.
- Storage fees are charged by the box or by the pallet, whichever is lower.
- The 7-day free storage applies only during the first month. After that, standard storage fees apply and are charged on the 1st of each month.

**Receiving & Forwarding has a minimum charge of \$15 per shipment**
